Dear Jill,

# FOREWORD

Associate Editor, Jerri Mosier, who had charge of copy, relaxes after third period annual class.

Mary Engebrigtsen, Editor 1949 annual rests after a grueling day working on "Tiger Tales."

Genial Bob Thompson, popular S B. A. President, is shown leaving for Seattle on Annual class business.

Mrs. Nelson, editor of the first annual published in 1928, poses in her home for the 1949 edition.

Dean Johnson, Senior Class President, washes his car for his Saturday night date.

In this edition of the "Tiger Tales," we have endeavored t assemble a history in pictures of our high school life so that eac memorable event will be preserved. We hope that the pleasar memories herein will serve as an inspiration; and this book wi bring about greater interest in our school. The close friendshi of the students, the unequaled school spirit, the enthusiastic co operation of the faculty and the joy and gaiety of anothe milestone have made this a memorable year. These memorie you will want to re-live through the pages of this twentiet edition of the "Tiger Tales."

MARY ENGEBRIGTSEN, Editor

It is my sincere wish that this edition of "Tiger Tales" may bring to each of you as much pleasure as the opportunity o "putting E. H. S. in print" has given us. We hope that as you glance through these pages in years to come, you may find a bit of enjoyment in gazing at scenes of events which meant so very much to you during your high school days.

May this book serve you not only as a reference of high school activities but as a reminder of that period in your life which can never quite be duplicated, your years in Enumclaw High.

JERRI MOSIER, Associate Editor

The 1949 Tiger Tales, the theme of which is the 60th Anniversary of the State of Washington, is a dedication of the present to the past.

Through this book is shown the improvements and changes that have taken place in our state and, of course, in good old Enumclaw High School.

I'm sure that the "49" Tiger Tales will bring back the memories so dear to us in our high school life. When the members of the class of '49 become imbued with wisdom, they too will become aware, as they thumb through the pages of this book, that high school days are the happiest.

BOB THOMPSON, Student Body Association President

Congratulations to the 1949 annual for a splendid yearbook. The theme of this annual is indeed educational and inspirational. It is interesting to look back over the years and to see the marvelous progress which has been made both in our school and in our community. An annual is a reflection of student attitude and morale, and this excellent edition of Tiger Tales must certainly be an incentive to our Student Body to go on to greater and better things!

MRS. MILDRED JOHNSON NELSON

In later years as we, the Seniors, turn the pages of this edition of the Tiger Tales, memories of our days at E. H. S. will be recalled - - - memories which will recall the excitement of football and basketball games while rooting for our fellowmen; the dances for which we spent those long hours in decorating and Graduation the event for which we had all been waiting.

On behalf of the Senior Class, as president I am thanking you, the editor of the 1949 Tiger Tales, who have succeeded in helping to keep these memories as the best years of our lives.

DEAN JOHNSON, Senior Class President

# Education Since Statehood

FROM the earliest days of statehood the public schools have been one of the most vital concerns of the people. In 1889 in the enabling act creating the State of Washington, 100,000 acres of land alloted by the Federal Government for maintaining schools.

In 1895 a new principle of common school support was established. It was a declaration that the State itself should guarantee to each and every boy and girl in the commonwealth the minimum essentials of a common school education; the State itself expresses in this material way its concern for the education of its future citizens.

Even as early as 1854, the first territorial governor, Isaac I. Stevens, with remarkable foresight gave expression to the following stimulating prophetic words in his message to the first session of the legislature: "Let every youth, however limited his opportunities, find his place in the school . . . if God has given him the necessary gifts."

The Legislature of the State in 1889 strengthened the education laws and gave districts the right to levy taxes to support the schools.

With the support from the state, the local school districts have established excellent schools so that each student can take his place as a better citizen in his own community.

# Governor's Message to E.H.S.

To the Students of
Enumclaw High School:

Nature has endowed this Evergreen State of ours with a rich store of natural resources, but there is one resource of ours that transcends all others. This all-important resource, upon which our future progress depends, is the youth of our state.

You students of Enumclaw High School, and all the other young people of the State of Washington, face a real challenge. The future lies in your hands. But to meet that challenge and shape that future will require determined effort on your part.

I hope that every one of you will take full advantage of the educational opportunities that lie before you. It is only by continually broadening your knowledge that you will fully appreciate your responsible role in the world of tomorrow and the true meaning of citizenship in our free democracy. And it is only through devotion to our American way of life that you will be able to evaluate all the privileges, as well as the responsibilities, that democracy entails.

ARTHUR B. LANGLIE

# CAPABLE AND COMPETENT

Assembled together for the first time, since they work in pairs one hour a day in the office are: Joan Malgarini, Mickey Reise, Donna Gadeberg, Doris Ann Semanski, Peggy Lou Love, Claire Moergeli, Gail Kramer, JoAnn Whitehouse, LeOra Pedersen, Delores Carpenter, Bonnie Collins.

Serving as office assistants throughout the school year are eleven girls who were carefully selected by Mr. Burt and Doris Chaussee.

The requirements of these girls are rigid. Each of them must be able to type and must maintain a minimum grade average of 2.

As many letters containing valuable information pass through her hands she must be reliable.

Neatness and a pleasing personality are essential as she works with the faculty and all business callers.

Her duties consist of typing, filing, delivering bulletins, checking absentees and taking dictation.

This is a full credit course and no girl once selected has failed to do her work satisfactorily.

## ANNUAL YEARBOOK STAFF

TWENTY-ONE years ago under the leadership of of Mrs. Mildred Johnson Nelson, Houston Allen, and Walter Jensen, the senior class of 1928 published the first year book which was called "The Tiger's Paw". Since then Enumclaw has advanced far toward putting out a better year book. From the original sixty-eight we have increased the annual to eighty-eight pages.

This year, with Mr. Rex W. Waldron, faculty advisor, Mary Engebrigtsen, editor, Barbara Anderson, business manager, the annual staff has published the largest annual ever in Enumclaw High. Starting this year, the annual staff became a class. This made it easier for everyone and Mr. Waldron because the entire staff was all together for one hour, but still many more hours were needed and many evenings were spent getting material ready for publication. Another new feature started this year is the listing of the advertisers in a directory at the back of the annual. This method gave more space for new activities and features.

Besides putting out the year book the annual staff sponsored the second Homecoming celebration in October, which was one of the biggest affairs of the school year.

THE Board of Control, the governing body of Enumclaw High School, consists of class presidents, Student body officers and other major activity "heads". Mr. Don Bunt is our active advisor. Upon "The Board's" shoulders rest the problems of busy school life. Just a few of the duties of the Board of Control are to make laws governing the student body, approve new club constitutions, nominate next years Student body officers, and decide which activities should receive letter awards.

Our first Student Body Association was started in 1919 when the school was moved to its present site. However, the first Board of Control was originated in 1940. Its president was Ernest Dahl, vice-president, Gerda Jensen; secretary, Eva Warner; and the treasurer was Harry Fredericksen. Before the Board of Control was started school problems were presented to the entire student body by the president for discussion.

The 1948-49 version of our Board of Control was an active, adroit group. Under the capable leadership of Bob Thompson, Student Body President, much was accomplished. Bob presided over all meetings with Connie Gunderson, Student body secretary, keeping the minutes up to date and writing any correspondence that arose. Keeping tab on all of our money was our treasurer, Dean Duncan. Vice-president Leon Hobbs stepped in and took over when President Bob was absent.

To raise money for the Community Hospital fund the Board of Control successfully staged the appearance of Lee Grabel, a Master magician. The show was a huge success, the highlight coming when Mr. Grabel escaped from a wooden box made by Mr. McGee and his shop classes.

We are very proud of the way the Board of Control solved the cafeteria problem. The tables were marked as to where each class should sit and the tidiest class received ice cream and coke at the end of each month. In this way the cafeteria was made much more orderly and not so noisy.

For the past several years Junior Red Cross in E. H. S. has consisted of drives for financial help, but this year an organization was formed to carry on this work. Two representatives known as council members were elected from each second period class, thus making up the Junior Red Cross. A constitution was written and officers were elected from those council members present.

The concentrated efforts of this group was instrumental in getting every organization in E. H. S. to contribute articles toward fifty-seven gift boxes to children over-seas.

As a representative of Enumclaw, Don Pittenger attended the Junior Red Cross Convention in San Francisco in the summer of 1948. Jim Kime will represent E. H. S. in the Portland Convention this year.

# •SUCCESS BE OUR•
# •GOAL•

TORCH began it's career as one of E. H. S.'s organization in 1929, with Harold Hawkins as it's first president. The aim of this organization is to encourage greater scholastic achievements among the student body members. To become a member of the Torch Honor Society one must maintain an average grade better than "B". Students are garded by these stadrads: A—5 points, B—3 points, C—1 point, D—(-1) point, and X—(-2) points. Each student is required to make an average of 30 points per year. To become a life member of Torch a student must have acquired at least 126 points by the end of his Senior year.

Torch began another eventful year with the Torch assembly at which pins were presented. To boost their treasury, Torch sponsored the sale of pencils, each having the football schedule printed on them. They also sponsored a movie "Miss Polly" to raise funds for the Memorial Hospital Fund. Since Torch did such a commendable job in raising money for the Jr. Red Cross campaign last year, Miss Cass, the Torch Advisor, was asked to again take over this job.

Noticing that this school has greatly lacked necessary information in regard to scholarships offered by the different colleges and universities in this area, Torch wrote to many different schools and undertook to secure this needed information. They received a great deal of information which may be used by any Senior student so desiring it.

As their leaders for the past year, Torch elected Barbara Anderson, President; Art Ford, Vice-president, and Betty Johnson, Secretary-Treasurer.

Seated in the club room discussing the recent Junior Red Cross campaign are: President Jim Kime, Secretary Agnes Pedersen, and Treasurer Gene Balint.

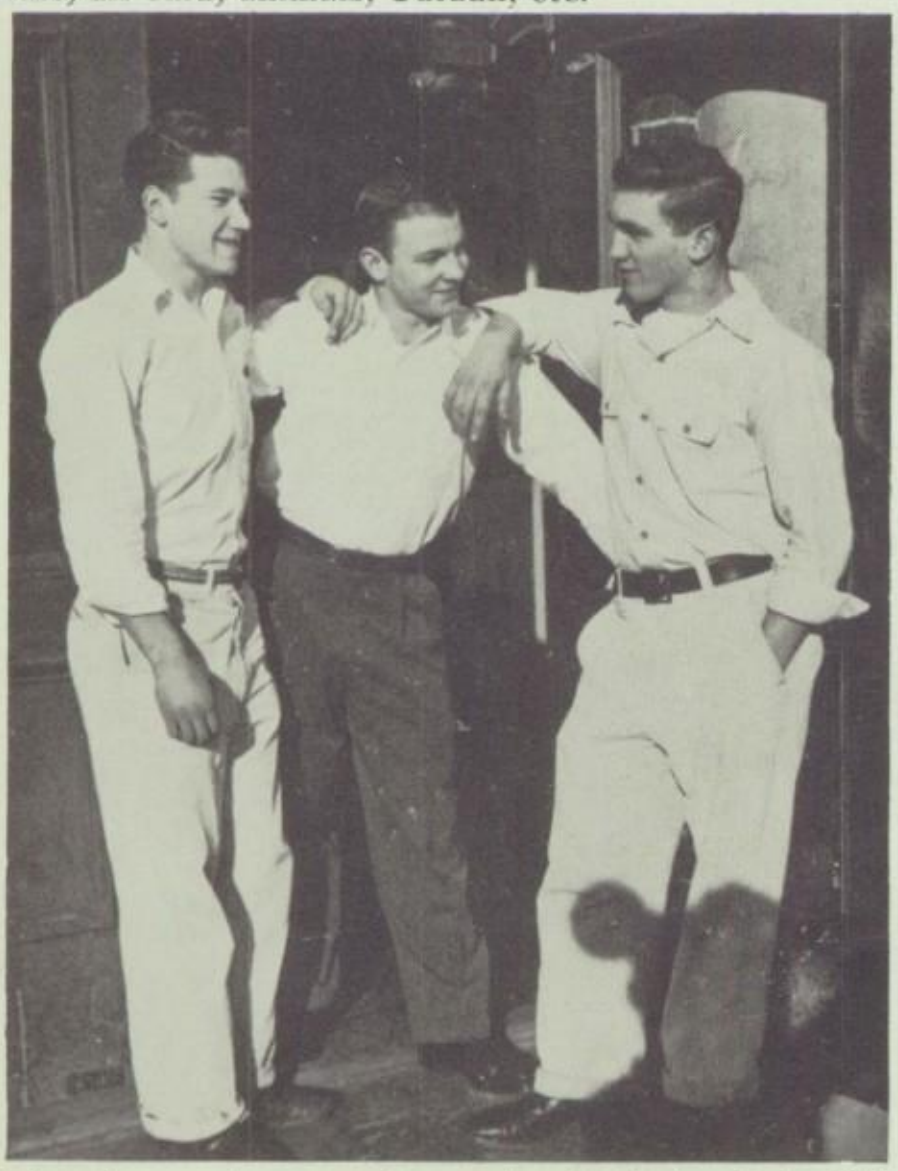
# FAMOUS "FEMS" AND MYSTERIOUS MALES

DOWN through the years we think back to 1929-30, when our first Senior High Boys Club was organized. This was the first time the fellows were wearing their fancy ties, white shirts and colored cords.

This brings us up to the present time. Most of the boys wear cords and overalls, but no ties.

On Tuesday, November 2, the fathers of E. H. S. boys were feted at the annual "Dads Night", sponsored by the Senior High Boys' Club.

Leon Hobbs made the welcoming speech and Mr. Asher answered for the fathers. A navy film on submarine service was enjoyed by all. Tommy "Hurricane" Tucker, a Hollywood sound effects man, very accurately and realistically imitated such things as storms, air raid, animals, Tarzan, etc.



During the noon hour our photographer found the Boy's Club Officers, Len Swain, secretary; Joe Fantello, vice-president; Glenn Kranc, president, discussing the All Conference Dance.

Upon retiring to the Gym the fathers had a chance to show their skill at throwing the football and basketball.

Doughnuts and cider, which were served in the cafeteria, made the evening complete.

The money made by selling candy, pop and popcorn at the football and basketball games was used for the pictures of the club officers in the annual and to raise money for the Boys' club treasury.

Mr. Stricherz, the Senior High Boys' Club advisor, aided the boys a great deal this year and helped make all club activities interesting.

The Girls' Club Cabinet grinning for our photographer, Bob Sager are: Beverly Biwer, Jolene Evans, Peggy Lou Love, Dorothy Lokovsek, Marilyn Holmes, Ann Dahlquist, Janice Haines, Donna Odell, Donna Gadeberg.

THE Senior High Girls' Club was started in 1926 with Mildred Johnson as its first president. It soon became one of the school's most active organizations, a standard which it has maintained up to the present day.

Under the direction of Miss Margaret Newell, advisor, and Donna Gadeburg, president, the Girls' Club started the school year off in grand style by presenting a humorous skit which depicted a talking portrait, in the Homecoming Assembly. The Girls' Club Cabinet went to Renton to attend the annual Girls' Club Conference where they met with girls from nearly every school in the Puget Sound League. The girls returned with many new ideas on Club improvement, such as having a "Regulation Day" and a "Big Sisters" Club.

Next on the Girls' Club agenda was the All-Conference Dance under the co-sponsorship of the Senior High Girls' Club and the Firemens Club. In spite of bad weather and poor road conditions, the dance proved to be a huge success with Buckley High winning the prize for having the largest number of students present.

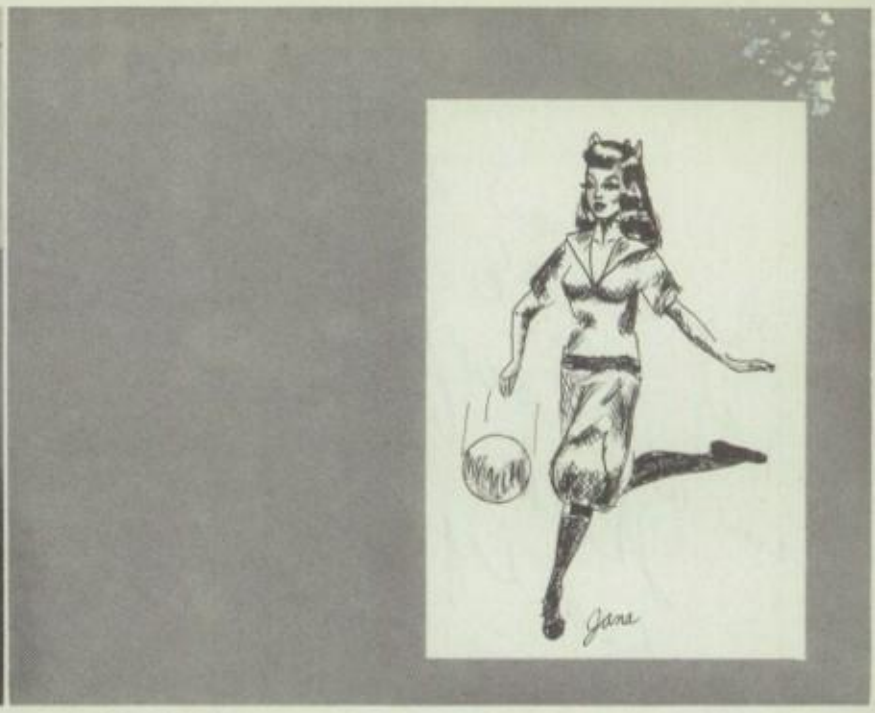
The gals did their share of Red Cross work too. They made rag dolls during their study-hall periods and had candy sales to raise funds for their Red Cross contribution. They also added a little money to their treasury last summer through their concession booth at the Naches Trail Days Celebration.

The most important affair on the Girls' Club social calendar was their annual tolo, Fairyland Fantasie. This dance climaxed a hectic week of tolo antics in which the girls had to carry the boy's books, come to school dressed as their favorite fairyland character, and generally create havoc with E. H. S.'s usual peaceful routine. Marcella Koshak and Vernes Hanberg did a commendable job as co-chairmen of this dance. The decorations for this dance, which featured "Cinderella's pumpkin coach" bandstand, and murals of different Fairyland characters, were really "out of this world".

The Girls' Club sponsored an assembly featuring Mrs. Weaver, a Y. W. C. A. Counselor, as guest speaker. Mrs. Weaver gave a wonderful talk for teen-age boys and girls. Everyone was so impressed by her talk that the Girls' Club invited her to come again soon.

The Mother's Day Tea, an annual event, gave the girls a chance to honor their mothers in grand style. The girls really made the most of this opportunity to show their mothers how much they appreciate them.

With all these activities, the girls still found time to completely redecorate their Girls Club Room this year. The walls were done in pale green while the drapes and chair-covers featured canary yellow.



The Girls' Club Cabinet grinning for our photographer, Bob Sager are: Beverly Biwer, Jolene Evans, Peggy Lou Love, Dorothy Lokovšek, Marilyn Holmes, Ann Dahlquist, Janice Haines, Donna Odell, Donna Gadeberg.

# GALS BEHIND THE "E"

SINCE its establishment, the Girls' "E" Club, originally known as "The Spirits", has grown to do more than interest girls in athletics. They now decorate for the football banquet and hold playdays.

Shorts and blouses have replaced the middies and bloomers worn to turnout for nine sports. Roller Skating was added to the regular sports of volleyball, basketball, ping-pong, shuffleboard, baseball, hiking, and bicycling. Two of the six playdays the girls attended this year were held at Enumclaw, one jointly with Buckley. A roller skating party was held for the Buckley club for the first time this year.

The secret initiation of new members was held in the spring. An "E" is awarded to girls who have earned four points by playing a required number of times for the sports. Two and three chevron girls earn four points a year for each chevron.

This year's officers have been Doris Laush, president; Bella Goodwin, secretary-treasurer; Mitzie Orehek, vice-president; and Evelyn Hanus and Ada Moriarity, managers; Miss Betty Fearl, advisor.

# GUYS BEHIND THE "E"

THE Boys "E" Club is the school Letterman's organization. Reorganized in 1946 after being abandoned during the war years, the club is now a strong, active group. Starting out the year with only twelve returning members, the club was built up to a membership of 37 members. The officers chosen at the first of the year were Bob Hanson, President; Joe Fantello, Vice-President; and Hates Lokovsek, Secretary-Treasurer.

The boys could be seen early in the year selling pencils with the football schedule on them. They also sold refreshments at several games. Two amusing skits were put on at the Homecoming Assembly.

Long will 25 boys remember the day of March 15, 1949. That was the day of the annual initiation of the boys who had earned major letters during the past year. Clad in old jeans at knee length and tall dunce hats they tramped barefooted through the halls, displaying cherry red noses, and brightly painted toe nails. They carried with them a shoe shining kit for polishing the veteran member's shoes. That evening they endured a strenuous secret initiation after which the initiates served lunch and all went to the show at the Roxy Theater.

# HOPEFUL HOMEMAKERS

Janyce Kennedy, Jana Hart, Edna Willis and Marilyn Ketchum, F. H. A. Officers, exhibit their cooking skill.

THE Future Homemakers of America, organized in 1945 with Virginia Dukowitz as its first President, has grown to be the largest club in E. H. S. during its three short years of history.

The Christmas Bazaar, an annual event, proved more of a success than was expected, with the girls making many of the lovely gifts themselves.

This year's faculty dinner will long be remembered by those members of the faculty that attended. Although this dinner is usually presented near Christmas, this year the girls waited until February and used a Valentine motif for their decorations. Agnes Pedersen, program chairman, presented a lovely program in which the Junior girls sextet sang, which included Marilyn Ketchum, Marilyn Halleck, Helen Hansen, Dolores Carpenter, Barbara Hoffman and Vernes Hanberg. Janice Barkley and Fred West presented a couple of piano solos, and everyone later exchanged Valentines. The girls again proved that Enumclaw has its share of fine cooks.

Janyce Kennedy, as president of the F. H. A. presided over all of their business meetings, while her cabinet, including Marilyn Ketchum, vice-president, Eddna Willis, secretary, and Jana Hart, treasurer aided her in settling the affairs of the organization.

These girls have done a splendid job of making the Future Homemakers of America an organization of which to be proud.

# MIGHTY MITES AND MISSES

Talking over the recent candy sale are: Beryl Duncan, Bette Moon, Phyllis Holmes, Margie Tougaw.

Ready for the Jr. High Boys' Club meeting are Bill Walker, Jim Gard, Gary Radliff.

THE purpose of the Junior High Girls' Club has always been to give to the girls an excellent opportunity to show their talents and to help them prepare for high school leadership. The goal of these girls is to participate in as many activities as possible, to learn to cooperate, and to do whatever job they undertake to the best of their ability.

The officers of this club are elected by a majority vote from the membership body. The cabinet consists of four officers and various committee chairmen. This year's officers are Phyllis Holmes, president, Margie Tougaw, vice-president, Beryl Duncan, secretary, and Bette Jean Moon, treasurer.

The girls worked very hard to make this year much more active than the preceeding ones. They began with their production of a very amusing skit in the Homecoming Assembly, which depicted various humorous ways of interpreting the word, homecoming." They won second prize for this production.

At one of their business meetings, the Junior High Girls' Club presented the educational movie, "Junior Prom" and invited the Senior High girls as their guests. Everyone enjoyed the movie immensely.

To foster a more courteous and friendly relationship among the students in Junior High, the club sponsored a "Friendship Week". This unique idea included: Ladies' Day, Gentlemen's Day, Teacher's Day, and "gained a new friend" day. One day they pinned name cards with the names of their favorite boy or girl friends printed on them, on themselves. The Junior High teachers reported that the "Friendship Week" idea proved highly successful.

Junior High teachers received flowers from the Junior High Boys and Girls Clubs during their friendship week. To initiate the program, Wayne Holm Joyce Nearhood, Mr. Jones, Virginia Love, and Donnie Hoffman, members of the committee are shown presenting Mr. Jones, popular shop instructor with a carnation.

In 1946 the Junior High Boys' Club was reorganized and put on the basis of a service club. Under the direction of Mr. Mills, their advisor, the Junior High Boys' Club made money selling at concessions that went for the sponsoring of the Junior High baseball team, which has become an important sport of the Junior High.

The Junior High Boys' Club, with Mr. Stricherz, their advisor, has been a real influence on the school. They have been selling at concessions at the games and provided the club with much entertainment.

When the time came, these boys, under the direction of Jim Gard made the most of the year.

# Music In The Air

THE LARGEST vocal group was the Mixed Chorus under the excellent supervision of Miss Thelma Freeman. Among the varied programs in which this organization partook were the Christmas Program and Baccalaureate.

In the past years the Mixed Chorus presented an annual graduation operetta in place of the regular graduation exercises.

The costumes of the thirty-nine members in the original Mixed Chorus were black sateen bloomers and white middy blouses with black ties for the girls and white shirts and black trousers for the boys. In later years these groups were divided, thus forming the boy's glee clubs and the girl's glee clubs. These groups were similar to our present day Boy's Chorus and Girl's Ensemble.

In this year's Christmas Program the Boy's Chorus and the Girl's Ensemble presented winter scenes in which the boys interpreted the fun in building a snowman and the girls in their white skating costumes enlivened a beautiful winter scene of ice skating. But most spectacular of all was the cathedral scene with the madonna, in which the mixed Chorus sang appropriate numbers in the background. The Choraleens with their singing of Ave Maria also added to the spirit of the setting.

In addition to the mixed chorus other vocal groups of E. H. S. are the Boys' Chorus, Girls' Ensemble and the Choraleens. Promotion toward good singing is encouraged by these groups.

The Choraleens were a select group of girls chosen for their singing ability. They met totally out of school time. The Choraleens were begun by Miss Freeman to encourage girls to sing.

An opportunity created for girls who wanted to sing without any specific ability of previous training was organized into Girls' Ensemble. Rehearsals were second period on Tuesdays. Anyone, even those without prior singing experience were part of this group. The girls sang in the Christmas program and in the Spring Concert; selections were, "Who" and "Calm As the Night".

The girls in the Ensemble were: Sopranos, Alice Rogers, Audrey Willis, Claire Moergli, and Vernes Hanberg, Second Sopranos, Marilyn Mohn, Margaret McHugh, Dolores Paushek, Clara Van Hoof, Marilyn Halleck and Betty Geelhart. Altos, Connie Gunderson, Barbara McDaniels, Mary Holdener, Marlene Montgomery and Martha Ball.

Boys' chorus was started to develop a quartette under the direction of the vocal director, Miss Freeman.

They participated in the Christmas Program, "Christmas Memories". Most of the boys are either in chorus or band, which are two of the most active organizations in school. This enthusiastic group met once a week as an extra-curricular activity.

The members of Boys' chorus were Kaye Tyerman, Gene Wright, Andy Christoph, Dean Johnson, Ed Semanski, Leon Hobbs, Bill Josie, and James Mills.

# MASTERS OF MELODY

Revived this year, after a year of silence, the E. H. S. Orchestra is again supplying the school with fine music.

The Orchestra took an active part in school activities playing at the All-High and Jr.-High plays and in the Winter Concert. At the Western Music Festival at Highline, the members took part in the huge Festival Orchestra. Janet Warren and Gertrude Sonntage earned a rating of Superior on their violin duet.

The Senior High Yell Squad, Don Landskov, Helen Hansen, Doris Ann Semanski, Edna Willis, under the direction of Ann Dahlquist, Yell Queen, practice a pose for a new yell.

# "ORANGE and BLACK"

Orange and Black, fight, fight. . . . These are the opening words of the school yell. And when the band strikes up the school song the words of which are also the school colors, the school spirit soars. The yell squad, led by Ann Dahlquist, Yell Queen, takes charge of all the pep assemblies, and organizes the school spirit behind the team at all sports activities. Last year, LaVera Martinelli, Yell Queen, acted as mistress of ceremonies at the celebration during the half-time at the first Homecoming Football game. This year Ann also was announcer at this event.

The yell leaders presented new yells which had all the classes competing for a Pep Jug. The Pep Jug was presented to the class who could yell loudest at the pep assemblies. At the last assembly of the year, the class who has won more yells than any other class receives the Jug to keep.

The class of 1951 won the jug with classes of 1949 and 1953 in the second and third places.

The Majorettes in their beautiful uniforms make a pretty picture any time: Vonda Stanhope, Barbara Silvestri, Shirley Jorgensen, Delores Bress, Grace Habenicht, Dorothy C. Nelson, and Dorla Duncan.

The peppy yell leaders Donnie Hoffman, Dorothy Mahlen, Carol Johnson, pose for one of their yells.

# "REEL" MEN

The Paps Crew was organized in 1941 under the direction of Mr. Finch. The word "Paps" stands for "Public Address and Projection System". This organization provides the school with visual aids, recording apparatus, and operators. Other aims of the "Paps Crew" are to train public address operators and sports announcers.

This has been one of the most successful years of the "Paps Crew", under the able guidance of Mr. G. Campbell. They acquired a club room, have purchased a new projector, a movie camera and many new tools.

The crew provides the school with noon movies, classroom movies and works in association with the stage crew, to make our plays and assemblies a success.

# BEHIND THE CURTAINS

Stage Crew is a regular class, meeting every day Second Period. The boys meet with Mr. McGee, their advisor, on stage for their daily instructions. These instructions concern the various jobs to be done. Jobs vary from driving nails to changing the cycloroma. The fellows were handy with tools so they built most of the scenery and props for the plays and other stage productions. Regardless of how short a time these boys had to do their work, they made whatever was asked of them.

Ready and tense for the final curtain of the Senior Play are: Dick Garland and Jerry Thompson.

Constructing scenery for the Senior Play are: Frank Osborn, Jim Erickson, Ivar Johnson, Walt Bruhn.

Taking a breather between jobs are: Bob Schmidt, Con Ahmann, Ivar Johnson, Jim Erickson. Jerry Thompson, Dick Garland.

Assembled in the nurses office Monday morning for their weekly instruction are: Theresa Berilla, Mitzi Orehek, June Schoonover, Norma Wilson, Barbara Johnson, Miss Van Schoek.

# The "Bookworms"

Our library, although small, is one of the most outstanding in the league. It is neat, quiet, contains a wide choice of material.

This year's student librarians are under the direction of Mrs. Laura Hahn. Among the multifarious duties of the student librarians are such things as checking out books and aiding students in selecting materials.

Two student librarians are on duty each period. When they are not seen at the desk they are usually straightening the magazine rack, arranging books on shelves and working on various files.

Mrs. Hahn with the assistance of the student librarians make the library one of the most useful and up to date rooms in the school.

The diligent group who help run this library are: Don Moergeli, Jolene Evans, Delores Noblette, Dorothy Barber, Lena Berilla, Janice Soderquist, Mrs. Hahn. Each of the following girls has been a credited librarian for the past year: Jean Stobbs, Bette Malgarini, Ann Dahlquist, Delores Carpenter, Barbara Hoffman.

# "AT YOUR SERVICE"

This class was established in 1944 by Mrs. Fach. She taught it for one year and then Miss Stead came and has taught Office Practice for the past four years.

Office practice is a very select group. You must have taken one year of typing and have a B average.

The girls work in the office down stairs, grade school office, and the library. They learn the fundamentals of the office by working in these different offices and also by making stencils, dittos, mimiecoping, running the ditto and mimeograph machine.

The busy office practice class supervised by Miss Stead has just received instructions for a new assignment for the grade school.

# PRINTER'S DEVILS

The Printing Class, established in 1945 by Mr. Harry Christiansen has been taught by Mr. S. Clyde McGee for the past four years. Thirteen students compose the two classes. Ten students in the first year course and three in advanced printing really keep those presses rolling.

Jim Erickson Don Barber, Kaye Tyerman, Dean Johnson, LaVan Johansen, Jerry Thompson are shown receiving instruction for Class Day Programs.

Jim Qualls printing programs for the track meet is helped by Bob Keeley, Bob Baker and Walt Bruhn, while Creed Lane, Mr. McGee look on.

New ideas, more features, and better papers have been the aims of the two editors, Joan Malgarini, left, and June Schoonover.

# INKLINGS

## THIRTY YEARS CONTINUOUS SERVICE

## FRANK WOJACK 1st EDITOR

THE HI-MERCURY, a bi-monthly paper has been published by the Journalism Class since its organization October 14, 1919. It has had thirty years of continuous publication. The original staff consisted of seven members with Frank Wojack as editor. The Hi-Mercury was the name suggested by Selma Peterson (Mrs. Leslie Myhre) in a contest to name the paper in 1919. Mercury was a messenger of the Gods. He had wings on his feet and head; he excelled in all athletics, was ever in the prime of youthful vigor; and to a sweet and powerful voice he added the persuasiveness of eloquence.

The policy of the school paper so named has been to maintain a clean sportsman like paper, to collect and print all available news, to build and influence student opinion, and develop a uniform school spirit of the highest quality, to co-operate with school authorities in the promotion of high school social and scholastic standards, to encourage the best school enterprises, and strive for betterment of the school interests.

This year a new system of advertising was inaugurated. The advertisers were listed as a directory, the larger ads printed in large type, followed by those merchants contributing a smaller amount. This new system has meant more space for news stories.

There were 14 papers put out this school year; seven each semester.

This year there are two classes of Journalism, composed of Juniors and Seniors. The Juniors are learning the fundamentals of organizing the paper and the Seniors are writing and publishing the paper.

*Second row*: Jean Potvin, Frank Trump, Dan Van Hoof, Creed Lane, Joe Fantello, Bill Ford, Dick Garland, Harold Lokovsek, Glenn Kranc, Jim Barnes, George Bruhn, John Holm

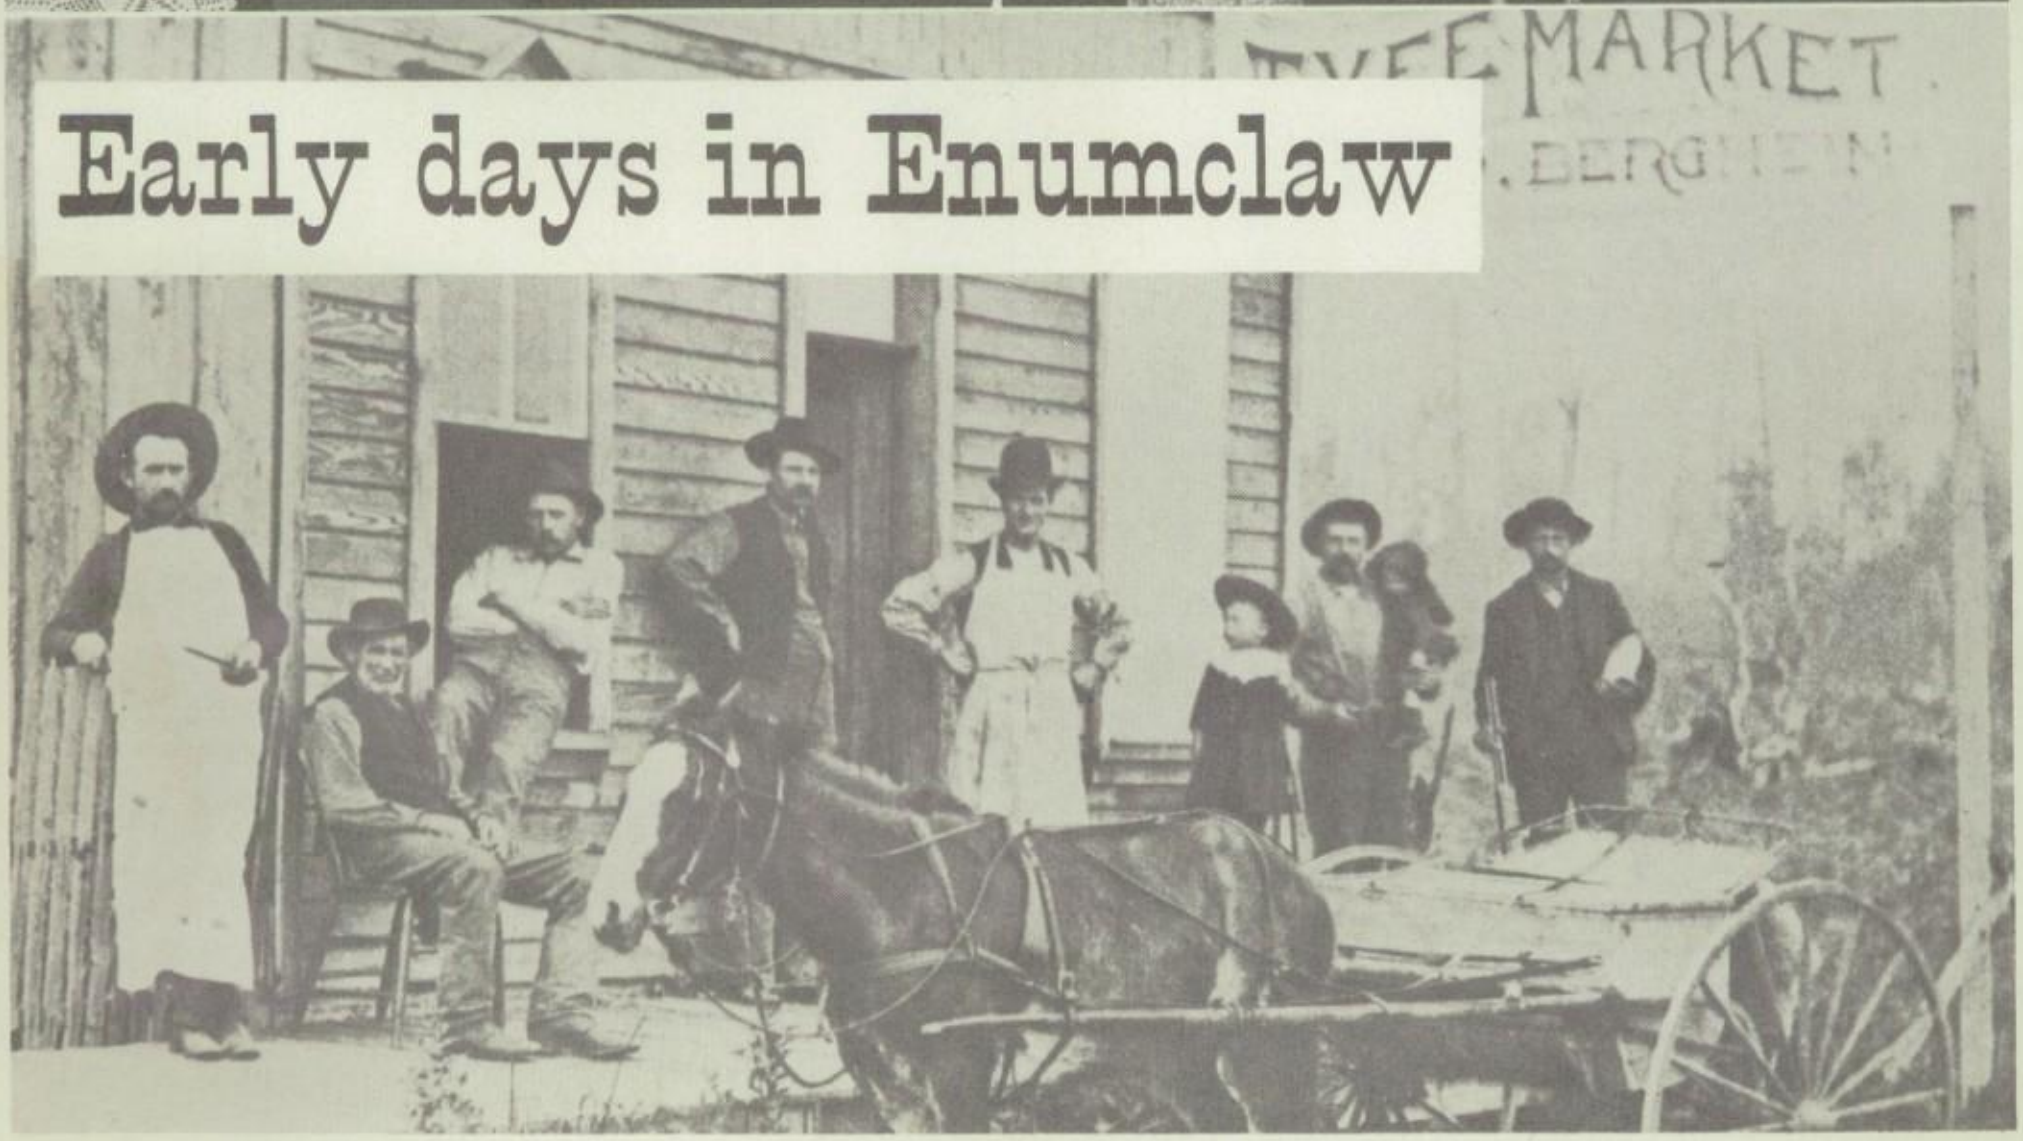
# Curtain Call For "INNER WILLY"

Ben Graves and Tom McCullough, with the supporting cast will long be remembered for their performance of "The Inner Willy."

The play was directed by Miss Margaret Newell.

# Early days in Enumclaw



# Curtain Going Up

The Enumclaw thespians started the drama season off with a terriffic bang with their presentation of "A Case of Springtime" a hilarious comedy in three acts. Leon Hobbs portrayed a typical teen-age boy who constantly found himself in hot water by trying to impress his girl, Joan, played by Marcella Koshak. Bob's struggle to keep Joan in spite of the competition of a "smooth College man," made the show a hit.

Other characters were: Jerry Mosier, Don Pittenger, Jim Kime, Shirley Simpson, Eddie Semanski, Carol Caverly, Gertrude Sonntag, Barbara Walczak, June Schoonover, Agnes Pederson, Edna Willis and Bill Josie.

# "Every Family Has One - - -"

## ANNUAL CHRISTMAS PROGRAM

On December 22, the Christmas Program for the school year 1948-1949 was presented by the various groups under the direction of Miss Thelma Freeman, vocal director, Mr. Tom Bloom, instrumental director, Mr. Rex W. Waldron, art director, and Miss Betty Fearl, physical education director.

The program opened with the Mixed Chorus singing "The Night Before Christmas." As the verse ended, the stage curtains opened on a toymaker's shop. When the old toymaker fell asleep all the toys in the picture came to life.

Following on the program were the combined Freshman Girl's Chorus, Girl's Ensemble, the Choraleens, and the rhythmic dancers all grouped around the beautiful frozen fountain which was dripping with icicles.

The Boy's Chorus sang their portrayal of the enjoyment that comes with the building of a snowman. At this point, old Santa, himself was ushered down the aisle in a sleigh with many jingling bells with the assistance of his elves.

The climax of the evening came when Mary and Joseph were portrayed by Dorothea Anderson and Creed Lane in a cathedral scene with the Mixed Chorus singing appropriate numbers in the background.

## SPONSORED

Petite Donna Odell and handsome Walt Henry, star tackle of the Tiger line up for 1948-49 were announced as King and Queen at the Home Coming Coronation Ball climaxing the contest conducted by Annual Staff among the Senior Students.

# BY TIGER TALES ANNUAL STAFF

The candidates for King and Queen nominated by the Senior, Junior and Sophomore classes were Dorothea Anderson, Donna Odell, LeOra Pederson, Claire Moregeli, Marcella Koshak, and Shirley Simpson; for King were Walt Henry, Joe Fantello, Dick Garland, Glen Kranc, Bob Schmidt, and Jerry Colvin.

This Homecoming celebration was inaugurated last year with a parade at two o'clock in the afternoon preceding the Auburn-Enumclaw football game. All classes and organizations strove for honor prizes. Winning first prize was the Class of '49, with a covered wagon drawn by two teams of high-stepping horses.

The Home Coming Celebration this year began with an assembly, "Command Performance," instead of a parade. Each class and organization participating depicted either a home-coming theme or a skit which portrayed their organization. The Firemens' Club won first prize with their burlesque version of smothering a fire in "Ma's" boarding house. Second prize went to the Junior High Girls' Club and third prize to the Class of '51.

Again the Tigers won a mighty victory that night as they battled against Lake Washington's Kangaroos. The Tigers won the game with the score of 20-7.

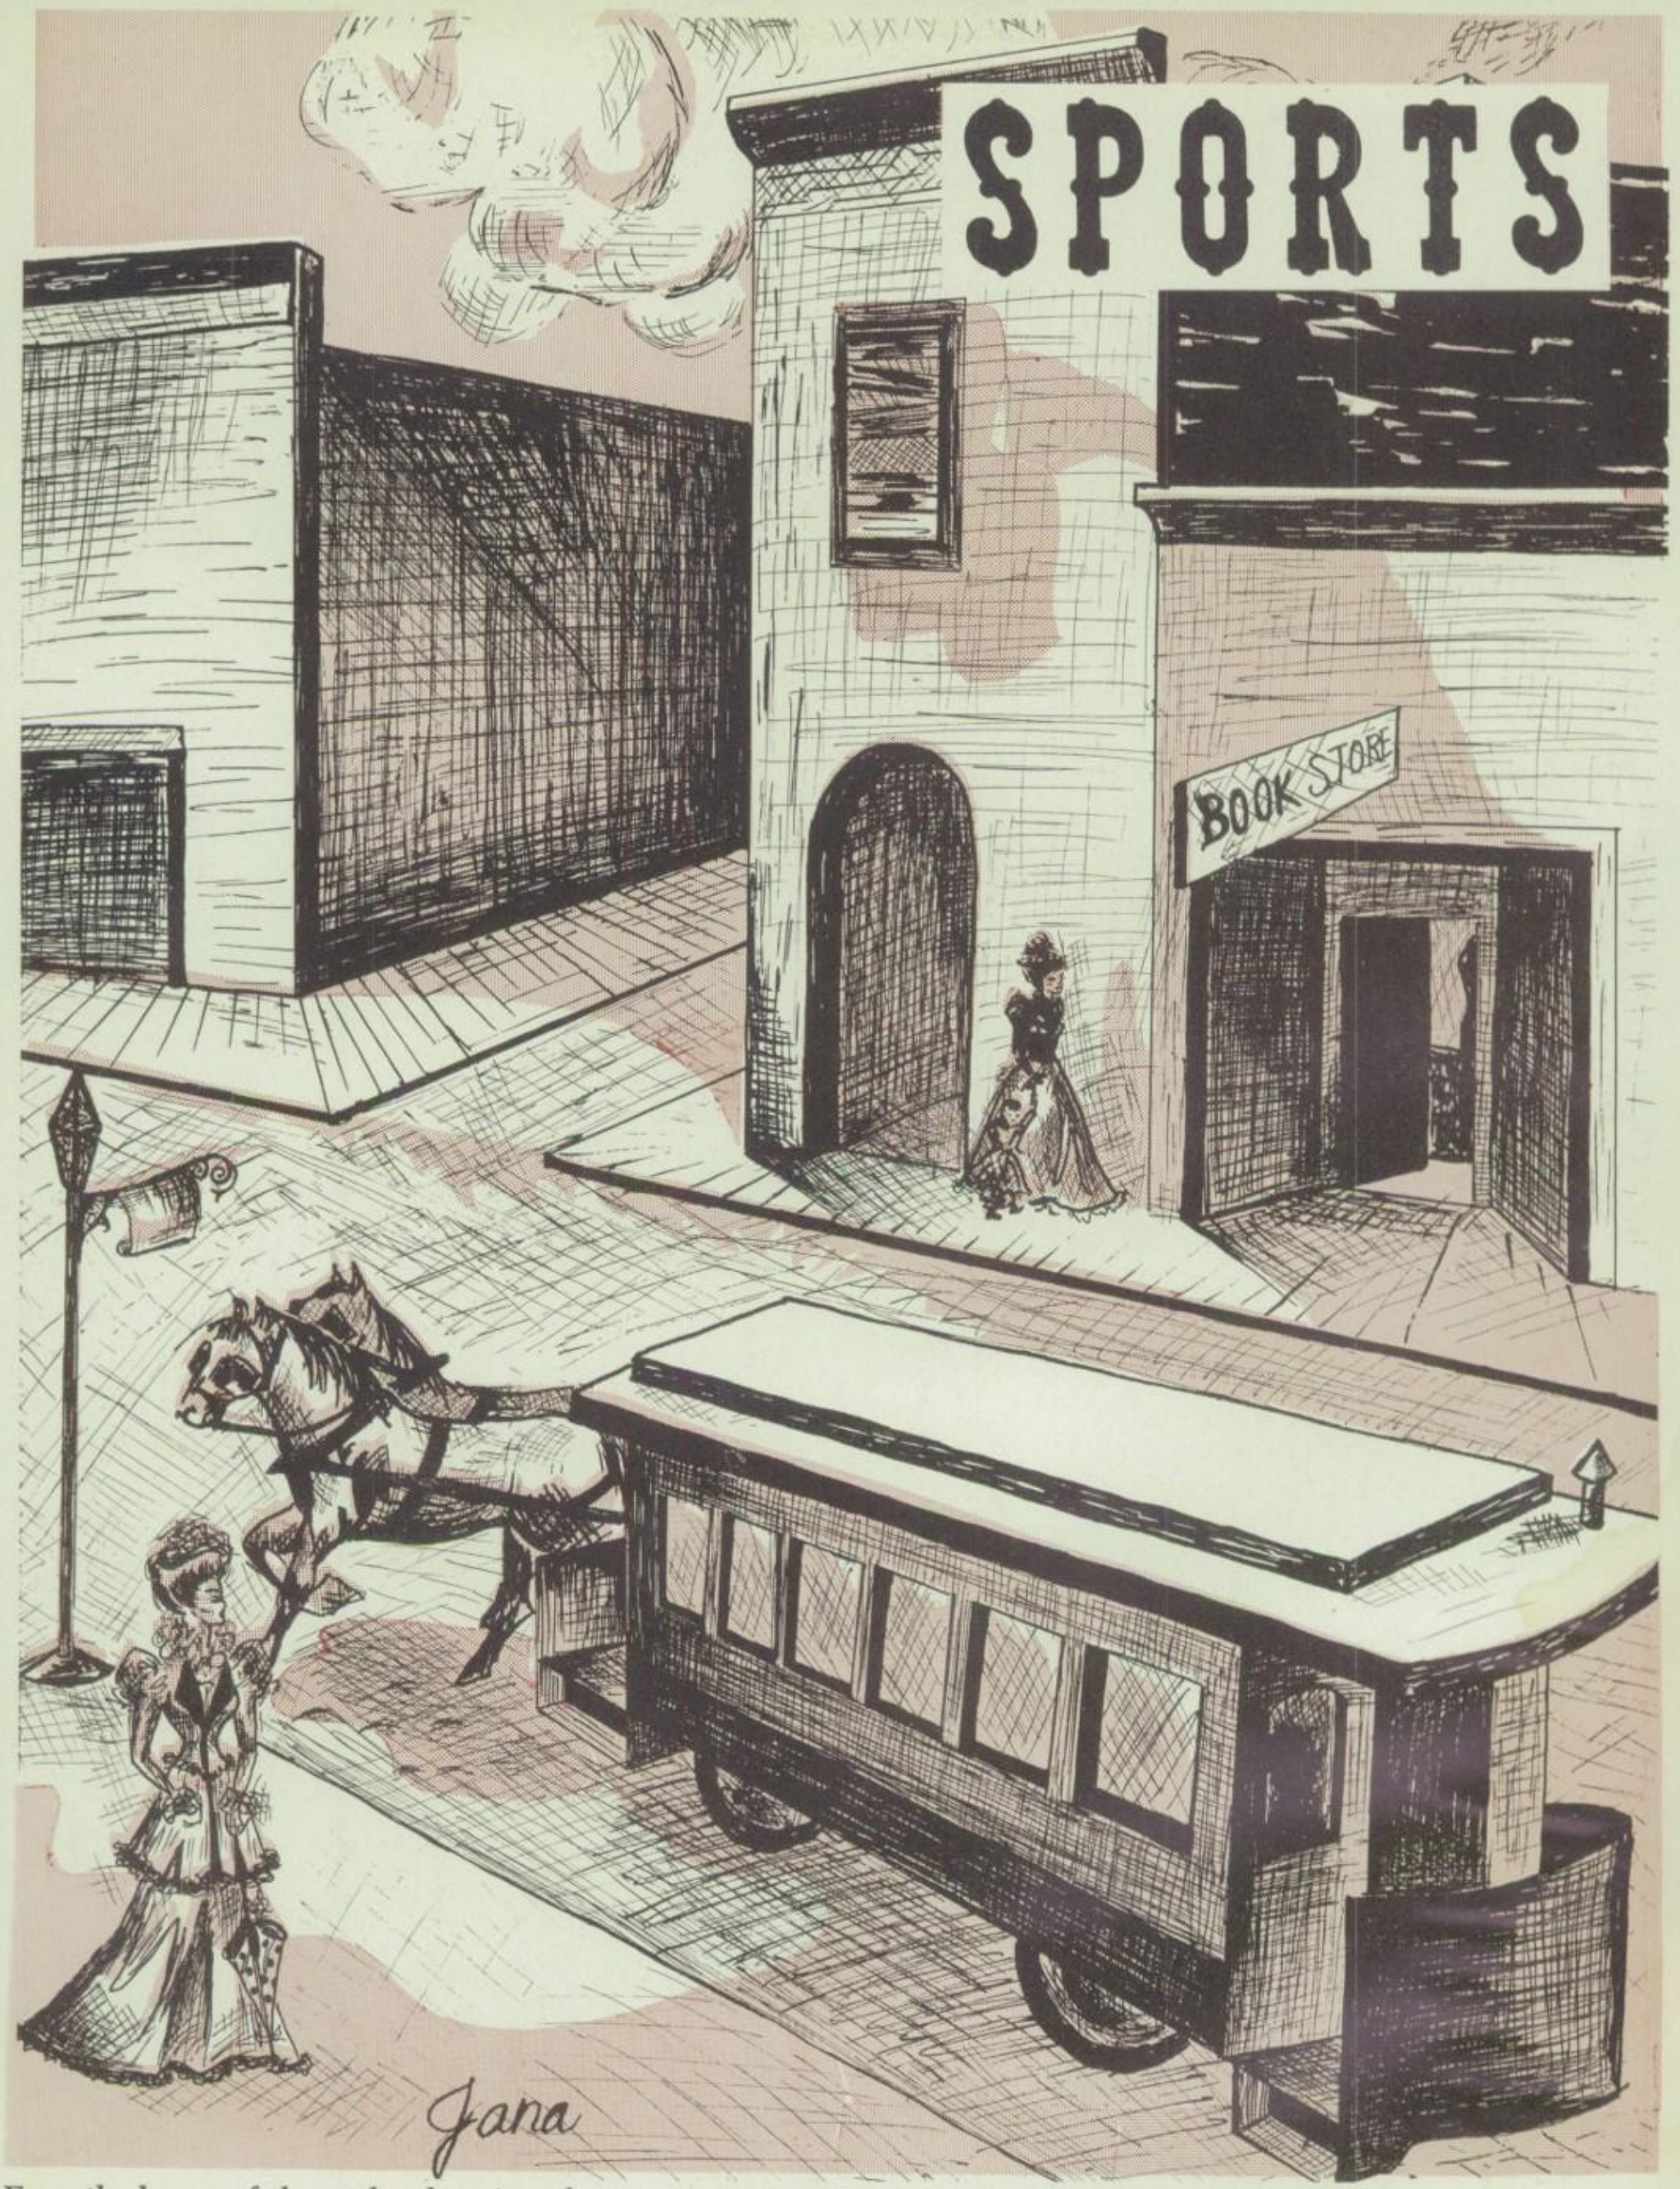
# Homecoming Coronation

The climax of the Second Annual Dance held at the King County Recreation Park for the graduates of E.H.S. was the crowning with a gardenia tiara of the beauty queen by Thomas J. Davis, Superintendent of Schools. The identity of the king and queen was kept secret from the candidates, the student body, and the public at large until they walked out from behind closed doors followed by their court during the intermission at the dance.

Standing after the coronation ceremony at the Second Annual Homecoming Celebration is Queen Donna and King Walt and their court.

Discussing the photographs of the king and queen contestants are Jim Gross, Bill Parrish, and Helen Farr; SBA officers of Lake Washington High School.

Last year for the first homecoming celebration the judge who selected the winners of the beauty contest was Bob Hope of radio and screen fame. This year, in order to promote good will and a strong inter-school spirit in the Puget Sound League, the yearbook staff asked the Student Body Officers of Lake Washington High School to act as a judging committee. Bill Parrish, President; Jim Gross, Vice-President; and Helen Farr, Secretary, the 1949 officers of the SBA of Lake Washington comprised this committee. They chose the queen immediately after looking at the photographs, but deliberated quite awhile before selecting the two princesses. The same situation developed for the king, and they were in a deadlock over Glenn Kranc for the second prince, or Joe Fantello, one of the contestants, until all of the judges decided in favor of Kranc.



From the homes of the settlers has risen the teeming metropolis of the present, with its gigantic buildings standing in silent tribute to the future.

# TIGER TACTICS

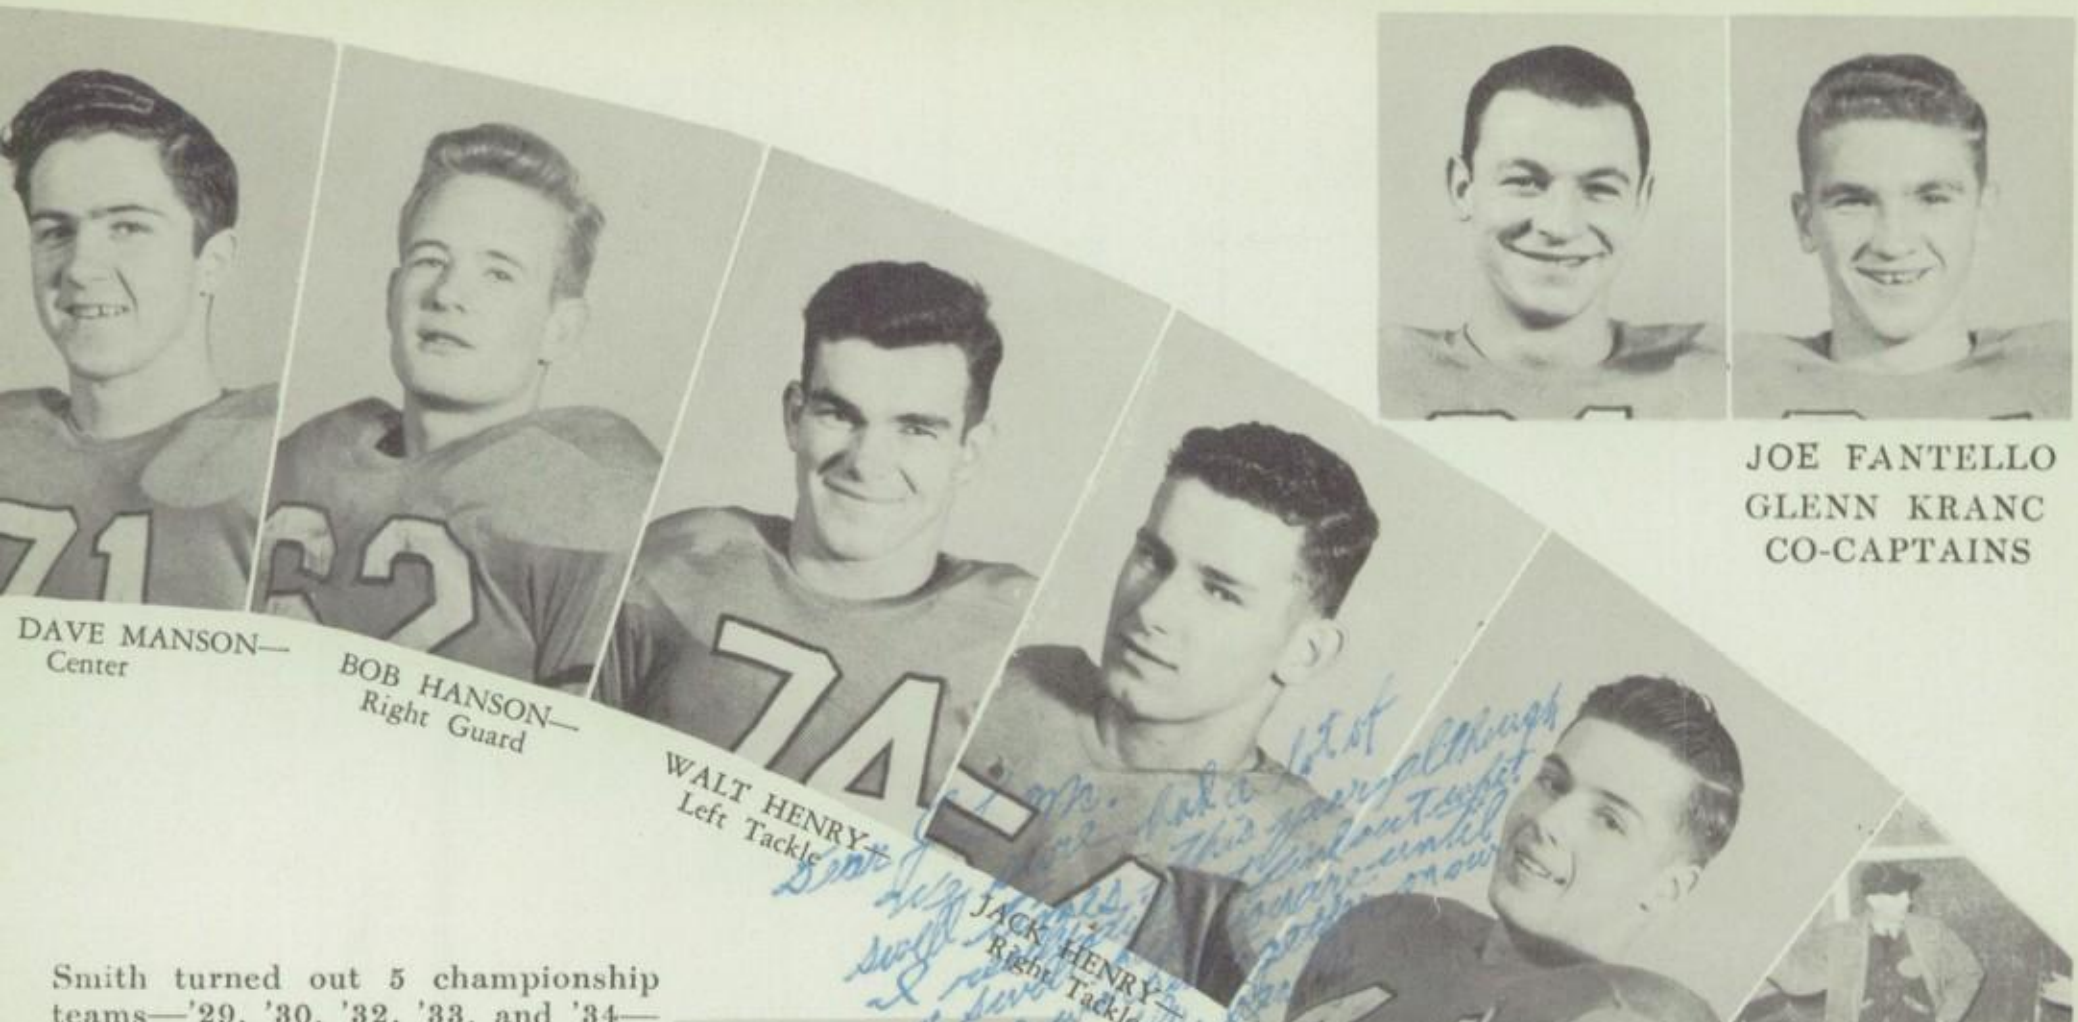
COACH ED STRICHERZ

## TIGERS 30TH YEAR

DURING the past year, Enumclaw's Fighting Tigers completed their 30th year of competitive football. The first team was organized in 1919, with C. B. Lafromboise as quarterback. Their first game was with Auburn. It ended in the worst beating in the school's history, 125-0.

A few years later the Puget Sound League was founded. In 1925, a golden era of football started at E. H. S., with the arrival of Coach Chuck Smith. Between 1925 and 1943, when he left, Coach

JOE FANTELLO
GLENN KRANC
CO-CAPTAINS



Smith turned out 5 championship teams—'29, '30, '32, '33, and '34—and several 2nd and 3rd place teams, rarely ending in the second division. During the war years, football dropped off as most of Enumclaw's players entered the service.

For the past three seasons Coaches Stricherz and Campbell have again put Enumclaw in the Upper Division with winning teams.

Looking forward, we see several more successful seasons coming up, with our winning Junior High teams and such a capable coaching staff and co-operative administration.

COACH BOB CAMPBELL

Coach Ed Stricherz congratulates Harold Lokovesk for winning the football Inspirational Award for the season of 1948-49.

WALT HENRY—Steady and always reliable, big Walt was always a stalwart on defense and offense. Very few yards were made through his side of the line.

BOB HANSON—150 lbs. of dynamite, Bob shared the right guard position with John Balint on offense and played nearly every position on defense at one time or another.

JOHN BALINT—A substitute at the start of the year, he took over when Bob was hurt and played as a regular the rest of the year. He proved to be a rugged, rough guard.

RALPH WILDE—Ralph was the team's spark plug for the last two years. Opposing linemen found his 190 lbs. pretty hard to move.

DAVE MANSON—This big rugged center will be making his bid for all-conference honors next year. The opponents have and will find Dave is a hard boy to push around.

JOE FANTELLO—This team co-captain packed plenty of power and speed at his right half position. One of the leagues best line-backers.

GLENN KRANC—Glenn was chosen by the team to the position of co-captain with Joe. His attitude and spirit made Glenn a fine football player. His quick-kick set many a team back on their own goal line. He could play either quarter or fullback and was an excellent line-backer.

DICK GARLAND—Playing his third year of ball he was one of the shiftiest backs in the league. He was always a threat on punt returns.

DICK LAFROMBOISE—Dick gained the reputation of being a smart field general and good ball handler. He is a Junior and will be back next year.

HAROLD LOKOVSEK—Judged the best end in the league, Hates was chosen for the All-State team. His rough and ready spirit won him the team's inspirational award, which he really earned.

FRED WEST—This promising young sophomore played both end and fullback. He packs a lot of power and will be the back to watch in the next two years.

GARY SAMBILLA—This sophomore did a real job as defensive halfback.

CURT BLANCHAT—Rough and ready, he was a valuable reserve.

*Managers*: David Hart, Creed Lane, Charles Mitchell, and substitute tackle, Val Krainick.

THE 1948 season opened with a win over Marysville, 19-0. Enumclaw was held scoreless in the first half as several drives bogged down. Coming back in the second half the Tigers scored three times. High-points were the flat pass to Fantello and his dash to the three yard line, and the touchdown passes thrown by Kranc and Mueller.

The first conference game was against a powerful and favored team from Puyallup. The Tigers suffered from early season jitters and fumbled five times. The Vikings recovered all five. The Tigers fighting line held twice, but was dented for six points late in the quarter. The next three quarters were played on even terms. The Vikings managed to score again in the closing minutes. The line play by both teams was outstanding. Final score—13-0.

The Sumner Spartans led by all-conference fullback McAllister fell before the Tigers 13-6. The first score came when Lokey blocked a punt and carried it 32 yards for a T. D. The Tigers scored again on a long drive in the second quarter. Sumner scored on a mental lapse by the Tiger secondary, on the opening kick of the second half. The Spartans threatened again in the fourth quarter but the Tigers held brilliantly on the 1 yard line, to check Sumner's bid for a tie score.

The crash of falling Pirates echoed around Puget Sound League. The highly-rated Pirates and the Tigers battled to a scoreless first half. A brilliant quick-kick by Kranc set the Pirates back on their own one yard line. The Highline kicker stepped out of the end zone and gave Enumclaw two points. Taking the kickoff the Tigers scored again on the third play as Lokey rambled 32 yards on an end around. The pirates came back and scored in the last period. Final score 9-6.

An inspired Auburn eleven gave the Tigers a real battle but went down 19-7. The first Tiger drive bogged down, but they drove over in the second quarter. The Trojans came right back and scored on a pass, fumbled back into the end zone, where Mariotti fell on it for a score. A pass from Kranc to Garland scored again. Auburn scored again late in the fourth quarter, but it was nullified on a clipping penalty.

After piling up a lead of 33-0 against Kent the Tiger regulars watched the last quarter and half from the bench. The Tigers played top performance ball all the way in overpowering the Vandals. The Enumclaw reserves played good ball but were scored against twice by Kent in the last quarter. Highlights of the game were Lafromboise's kick-off return for a touchdown and Kranc's 72 yard quick-kick.

Lake Washington's Kangaroos fell 20-7 in front of a huge Homecoming crowd. Dick Garland broke loose for 71 yards on a punt return but fumbled on the ten. Mariotti carried it the last ten yards for a touchdown. A long march gave the Tigers a 13-0 lead. With seconds to go the Kangaroos connected a pass to make the half time score 13-7. The final score came in the fourth quarter. Kranc and Fantello were deadly on defense.

A caravan of Enumclaw fans miles long went home saddened by the Tigers 7-0 loss to Clover Park. The Warriors had the advantage all during the first half, scoring with seconds to go on a pass and lateral. The second half was all Enumclaw's, but several nice drives bogged down and pass plays couldn't be completed. The game ended with the threatening Tigers on the three yard line.

Renton's Indians and Enumclaw's Tigers fought out a great ball game in a sea of mud. Each team scored once, but Enumclaw's fumble on the try for point cost them the game. Early in the second half Garland intercepted an Indian pass and in four plays Fred West bulled over for six points. Renton came back and scored a touchdown and try-for-point. The final period was scoreless and the game ended 7-6, Renton winning.

An improved Buckley team played inspired ball against the Tigers in their season's final, but the favored Tigers proved too strong. The Tigers drove to a touchdown early in the 1st quarter but could not score again until the third quarter. The Mountaineers threatened early in the 4th period but the Tigers regained the ball and were close to another score when the game ended.

### ENUMCLAW'S CANDIDATE WINS KING COUNTY TITLE

Enumclaw Ski Club spent their Saturdays at the Milwaukee Road Ski Bowl again this year where they received valuable instruction. Late in the season interest was revived by a high school meet at Cayuse sponsored by the town's ski club.

Most of the members returned to "The Bowl" this year for advanced instruction, but a beginner, Jerry Rogers showed the whole team up by winning the boys intermediate race.

Early in the season the club selected as their leaders for the year: Dean Duncan, President; Jim Qualls, Vice-President; and Doris Semanski, Secretary.

These sophomore girls caught by the camera participating in typical sports strive to be future members of Girls "E" Club.

Coaches Krueger and Hardtke discuss last game with Buckley.

# Junior High Football

THE Junior High Football squad under Mr. Hardtke's and Mr. Krueger's excellent coaching played a 5 game schedule and finished with a record of 3 won and 2 lost. They won 3 and lost 1 conference game, the other setback being to Fife in a non-league game.

Such players as Stephenson, Fred and Frederick Kranick and others will be vieing for a spot on the Tiger varsity next year. Bob McCauley, an eighth grader, played standout football for the Kittens during the entire season.

In the first game of the year Enumclaw defeated Buckley 26-0. They had a harder time with Clover Park, only winning by a 14 to 7. count. Then in a non-league game, Fife defeated them 21 to 6. After a two weeks rest the Kittens met the undefeated Puyallup team.

The Kittens lost their first game and consequently the title as Puyallup went undefeated to win the South Half Championship.

The Kittens played inspired ball all through the year. They had plenty of scrap as was shown by their 25 to 19 win over Sumner when they had to come back in the second half to win, scoring 18 points.

Eagerly awaiting the starting whistle are the Tiger Quint, Fred West, Elmer Engebrigtsen, Curt Blanchat, Dick Lafromboise, and Bob Thompson. Their coach was Mr. George Todd.

ENUMCLAW journeyed to C. P.'s gym and came away with a 39 to 35 victory. Enumclaw did not display too good a game but it was enough to win. Engebrigtsen was high for Enumclaw with 12 points while Trapp hit 14 for Clover Park.

Sumner came to Enumclaw with a good team and went away victorious 47-37. Engebrigtsen was high for Enumclaw with 10 while McAllister led the scorers for the night with 16 points. Zech also played a good game for Sumner.

Lake Washington defeated Enumclaw at Kirkland by a 42 to 37 count. The game was not very well played by either team although the last quarter was well played. West led Enumclaw with 13 while Brown hit 12 for Lake Washington.

Enumclaw played great ball the first half against Auburn but tired badly in the 2nd half and Auburn went on to win 46-27. Heacox hit 18 for Auburn with Thompson getting 9 for Enumclaw.

At Enumclaw, Renton defeated the Tigers by a 39-27 score. Enumclaw played the same pattern as all through the year, playing a good 1st half but tiring badly in the second. Lafromboise hit 7 while Jack Olsen tallied 12 for Renton.

Highline journeyed to Enumclaw to meet the Tigers. They left on the long end of a 51 to 33 count. Wolff scored 18 points for Highline, 14 in the second half. West played a good game getting 11 points for Enumclaw.

*Four teams that competed in league play-off and the order in which they finished.

Enumclaw defeated Kent, one of their most bitter rivals, at Kent by the score of 39-35. Thompson and Engebrigtsen scored 11 for Enumclaw, Engebrigtsen getting 7 of them in the overtime period. Coates of Kent scored 7 to lead the Royals.

Playing without the services of "Ace" center Fred West the "Tigers" lost a tough decision to Renton with a 46-23 score. McGee and Blanchat led the Tigers with 5 points each.

Clover Park's game at Enumclaw was won by Enumclaw for their 3rd victory in 10 starts. Lafromboise led the Tigers with 14 points while Engebrigtsen also tallied 11. Trapp got 7 for Clover Park.

Enumclaw journeyed to Sumner and left with a 60 to 44 defeat. The game was very high scoring. Thompson and West led Enumclaw with 15 and 12 respectively.

Lake Washington defeated Enumclaw at Enumclaw by the score of 50 to 28. Madison of Lake Washington scored 11 points in the first half and led the Kangaroos with 11 in the final score. Thompson of Enumclaw scored 10 points to lead the Tigers.

Enumclaw went to Auburn and were defeated 59 to 32, Heacox, the league's leading scorer, scored 18 points to lead the Trojans. West led the Tigers with 13 points and McGee also played a good game on the boards.

In the Highline gymnasium, Highline defeated Enumclaw 73 to 49. Holler and Angove led the Pirates with 17 and 13 points while Engebrigtsen and Lafromboise scored 16 and 10 points for the Tigers.

In Enumclaw's final game of the season they were defeated by Kent 47 to 43. Coates and Conwell led the Royals with 10 and 9 points, while West and Johnson led the Tigers, with 17 and 12 points. This was one of the finest exhibitions of basketball given by the Tigers this year.

The Tigers this year lacked players with experience. They won only 3 out of 14 conference games, although they won 4 practice games. It is expected they will do much better next year as they will lose only one man, Thompson, who will graduate. One of the definite weaknesses of the Tigers was being a first half club. In the second half the Tigers always seemed to tire, and all opposing players seemed to get better advanced, consequently Enumclaw was badly outscored in the second half. The team, well coached by George Todd, satisfied most of the fans this year, in spite of their bad showings.

# Kitten's Basketball

Coach Hardtke points out a few new ones to the team, Dancoine, Krainick, Radliff, Reeves, and Krainick.

## JUNIOR HIGH BASKETBALL

The Junior High Basketball team enjoyed a better than average season this year. They won the South half Championship and were defeated by Renton for the league championship 35-32. They played eight league games and were defeated only once by Puyallup.

Besides playing school teams, the Kittens, under Mr. Gerald Hardtke's excellent coaching, defeated the F.F.A. Basketball team. They were not so lucky, however, with the Senior High second team. The Kittens played the F.F.A. and the second team a number of times and broke fairly even.

The Kittens' one advantage was Bob Dancoisne, 6 foot 6 inch center who grabbed many rebounds for them during the season. Gary Radliff, and Wally Reeves the two guards were deadly long shots. The Krainick twins, Fred and Frederick were real scrappers working hard on the backboards.

Pictured to the right are those who turned out for the Kitten's '49 season. *First row*: Coach Krueger, Radliff, Reeves, Dancoine, Krainick, Krainick and Coach Hardtke; *second row*: Gard, McCauley, Thim, Stevenson, Estby, Stroup, Malidore; *third row*: Merrit, Brons, Archembeau, Soderquist, Rogers, Reise, Waner, and Such.

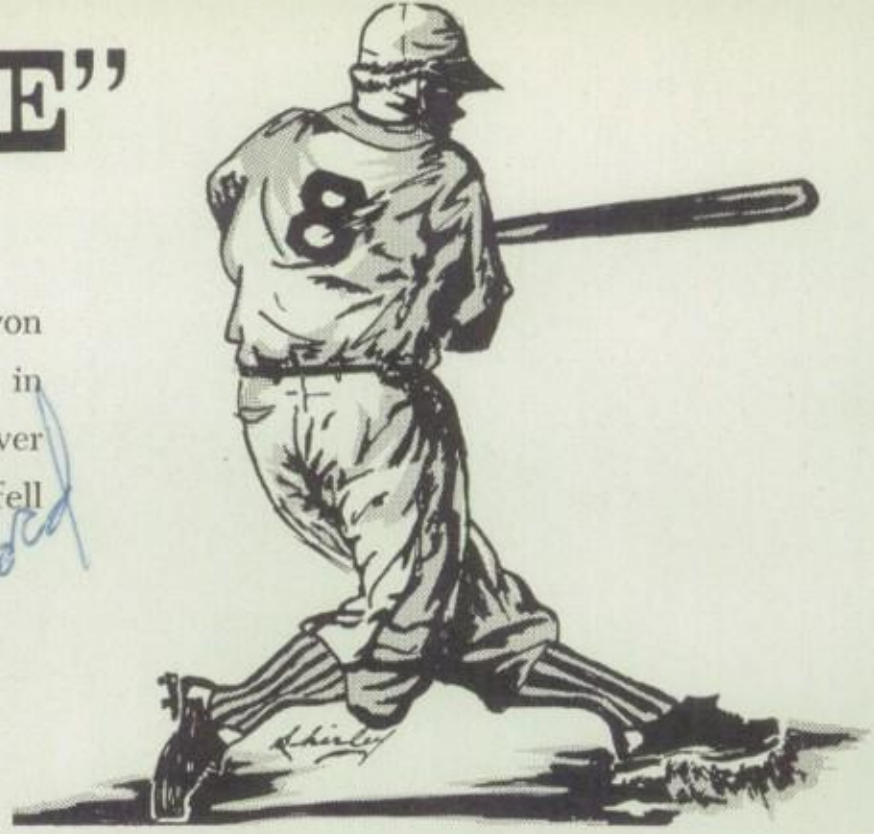
# "AT HOME-PLATE"



Out of their first three league contests the Tiger nine won two games. Their biggest thrills were beating Highline 4-3 in two extra innings and Del Sambilas' one hit performance over Auburn which we won 2-1. In their first contest the Bengals fell before Renton 6-0, although they outhit the Indians.

# COURT CLATTER

Waiting for the match with Sumner are Donna Robinson, Jackie Lackie, Jim Forler, Melvin Flinkman.

Gathered together after the game with Highline are Joyce Montgomery, Donna Laush, Norma Wilson, George Bruhn, Vernes Hanberg, Dorothy Lokovsĕk, Richard York, Eddie Semanski, Greta Holm, Dewey Boushey, Jerry Geertsen, Duane Baker, Jean Hickenbottom, Helen Hansen, Donnie Kovecavich, Benny Graves, Bobby Jorgensen.

TENNIS was started in 1931 under the direction of Mr. Myron Finch, the first coach. At that time there was only one court which was built in 1930. The other two courts were added in succeeding years.

The first tennis team was composed of one girl and four boys, Eric Dzerick, Harvey Person, Bob Campbell, Sonny Gatavara, and Helen Masters.

One of the first players, Mr. Bob Campbell has been the tennis coach for the past few years. Tennis enthusiasm has increased greatly in the last two years because of Mr. Campbell's determination to make it a major sport.

Last year the Jr. High team took the championship.

For the first time since the war a trophy was given to the boy and girl in Jr. High also to the boy and girl in Sr. High, who took singles championship of an eliminating tournament. Last years winners in Jr. High were Dona Robinson and Mel Flinkman; in Sr. High, Beth Dodge and Jim Forler.

The above students turn out for tennis.

# FINALLY FROSH

Finally Frosh . . . the class of '52 have prepared themselves to move up on Class Day, May 27, to take over the sophomore section as the first year of Senior High. During the Freshman year talent was displayed in the Junior High play, skits, athletics, cheerleaders, majorettes, and scholastics. Beginning with the Homecoming Assembly skit, Greta Holm, Dorothy Mahlen, and other members of the Frosh Class sang in a miniature automobile, "In My Merry Oldsmobile." In the Christmas assembly, the Frosh girls in Miss Fearl's Physical Education classes comprised the ballet in the Frozen Fountain scene. These girls were Beryl Duncan, Jeanette Lane, Irene Hash, Adele Trump, Eugenia Atemboski, Barbara Derby, Jackie Lackey, Carol Johnson, Dolores Barber, Joan Moergeli, Eileen O'Neil, and Dolores Rogers. Posing as frozen white statues were Donnie Hoffman, Dorothy Mahlen, and Greta Holm. The duet, Dick Cromoga and Kay Larum sang "Jesu Bambino." Freshman Girls' Chorus, with the Senior High Ensemble sang "Winter Wonderland" and "White Christmas." In the field of athletics the Krainick twins, Fred and Frederick, Wally Reeves, and Bob Dancoisne made the Junior High basketball quintet. Those boys helped the team win the South half district of the Puget Sound League. The Freshman Class was also outstanding in football and baseball. In tennis, Jackie Lackey and Melvin Flinkman were at the top of the ladder for sometime. Members of the Frosh Class had dramatic talent as was displayed in the Junior High play "Inner Willey." These were Ben Graves, Greta Holm, Dorothy Mahlen, Evelyn Kyle, Dolores Best, Joan Binkoski, and Ken Steele. Class officers were president Bill Walker; vice-president, Fred Krainick; secretary, Edwin Hunter; and treasurer, Jim Gard.

# SENIOR HIGH--AT LAST!

THE sophomores are now well on their way with a firm foothold in all the activities of the school. Showing lots of pep they were one of the winners of the "Pep-jug" for the year, tying with the eighth grade. The "Pep-jug" is a jug given to the class that yells the loudest at the pep assemblies.

As freshmen the class went through a successful year under the leadership of Dorothy Lokovsek, Bill Mueller, Fred West and Mahlen Lilly.

Royal blue and white were chosen as class colors.

The class of "51" as freshmen supplied most of the effort for the Jr. High teams, which took the P. S. L. football championship and tied for the basketball championship. Some promising "stars" were seen on the gridiron and maple court from the sophomore class this year.

Proving their scholastic ability the sophomores placed more members on "Torch Society" than any other class.

Last year participating in "Homecoming" week one of the most impressive floats, "Auburn after the Game" was displayed. Partaking in "Command Performance", a program at which every club and class put on a skit, this year the sophomores took third place with their skit portraying "Casablanca". Two sailors were seen flipping a coin with the winner dancing with a beautiful girl being blotted out with a negro couple jitter-bugging.

Passing through their sophomore year a successful year was encountered under the leadership of Jack Boere, Jack Henry, Fred West, and Val Kranick.

"The Little Red School House" was a sure hit being the sophomore assembly. E. H. S. teachers were seen in their school days which proved very humorous. Jack Henry did an excellent job as chairman.

# NEXT YEAR'S SENIORS

Amidst snow and ice the Class of '50 made its formal debut with the presentation of the Junior Prom, "Song of the Islands." The dance, headed by Jana Hart, will long be remembered for the outstanding decorations planned by Edna Willis.

Planting their feet firmly on the pathway leading to success, the juniors have reached upper class status under very capable leadership. Working with the students has been Mr. W. Warner Thomas, the class advisor.

It takes more than just leadership to make a fine class and it has been said the Sextette has sung their way into the Hall of Fame of E.H.S. Barbara Hoffman, Marilyn Halleck, Helen Hansen, Dolores Carpenter, Marilyn Ketchum, and Vernes Hanberg, deserve praise for their many inspiring performances.

Working outside of school, the juniors won twenty-five dollars in the ticket contest for the Follies of '49.

Members of the class participated in school activities, such as debating, dramatics, musical organizations, and sports. Behind the stage curtains we find Leon Hobbs, Edna Willis, Bill Josie, Carol Caverly, Eddie Semanski, Jim Kime, and Frank Osburne. Supporting the debate table have been Jane Manz, Tom Barrie, Jo Ann Atemboski, Barbara Walzack, Jim Kime, Carol Caverly and Vernes Hanberg.

With such members of the junior class participating in the above curricular activities it is reported the Class of '50 has a brilliant future.

# "We, The Seniors--"

WHAT a happy day it was for the class of "49" to enter E. H. S. and take its place. Through their first years of Junior High they followed in the footsteps of their fellow students.

Soon it was their first year of Senior High. Getting started they elected Bob Thompson as the class president, George Bruhn as vice-president and Kaye Tyerman as secretary.

The first task of this class as Sophomores was to present an assembly to the Student Body. Showing their ability they put on "Duffy's Tavern." Later in the school year their first dance was given—"Jukebox Jamboree' which went over as a huge success.

When entering the Junior year Glenn Kranc became leader of the class. Dean Johnson was elected vice-president and Dona Odell was chosen secretary.

During Homecoming all classes and clubs participated in the parade —having their own float. The Juniors were the lucky ones and walked away with first prize for their "49 or Bust", example of a covered wagon drawn by horses and surrounded by chickens, while students dressed as pioneers.

On Class Day the future Seniors of 48-49 were filled with joy as they filed into the Senior section. To be Seniors was what they had all been looking forward to. They didn't let their fellow students down either—for they presented the biggest dance of the year, "Moonlight Serenade." The decorations made everyone take notice for in the center of the gym at the ceiling was a 15 foot silver star. The bandstand was a big gold moon and silver trees were at the sides of the floor.

Again, the Seniors were to elect officers of their class. Dean Johnson filled the presidency, Hates Lokovsek was elected vice-president and Claire Moergeli as secretary.

The annual Homecoming was a very exciting one and the Seniors were certainly proud as their own Dona Odell and Walt Henry reigned as King and Queen of the celebration.

In January the Seniors really showed their initiative by presenting to the students their last assembly, "World Cruise". The scenes were made up of different parts of the world such as Egypt, France, U. S., South America and many others.

As a last activity before their graduation the Senior Play was given — "Every Family Has One". The class had success in this performance for it was enjoyed not only by the students but by the townspeople also.

When graduation drew near the Seniors began to take one last look at ole' E. H. S. and to say a final farewell to their classmates, retaining these memories forever.

# Commencement Speakers

The class of 1949 is very proud of Marcella Koshak, valedictorian. This year she was one of our Homecoming Princesses, worked in F.H.A., Jr. Red Cross, Usher's Club, had a lead in the All High Play, and was Ski Queen of Milwaukee Bowl.

In her Junior year Marcella was chairman of the Class Assembly, a member of the Board of Control and Secretary of the S. B. A. She was chosen to represent Enumclaw at Girls' State at Pullman, and represented E.H.S. at the leaders' conference at the University of Washington. She also participated in the panel discussion of "Youth Views the News" on radio station KOMO.

As a sophomore, Marci was a member of the Girls' Club Cabinet and won her first letter in "E" Club.

With all these activities she has kept up her usual high standards in all school work and has been a member of Torch Honor Society for the past four years.

Salutatorian, Bonnie Collins, was voted the class song-bird. She has been a member of the Mixed Chorus for three years and Girls' Ensemble for two. Bonnie was one of Enumclaw's two representatives at the Music Convention at Portland, Oregon, this year. In the Christmas program she sang the solo part of "Ave Maria." Bonnie was an Office Girl, a member of Tiger Hi, and the Traffic Squad. She carried a heavy schedule all the way through school and graduated with forty-five credits, an amazing total considering all her other interests.

Thelma Carlson, by a vote of her classmates, was selected as the girl most likely to succeed. She has worked hard as a member of the F.H.A., Torch Honor Society, Junior Red Cross, Usher's Club, and on the program committees of the All High and Senior Class plays. Thelma was a three-year letter winner in "E" Club, and a member of Annual Staff in 1947.

Donna Gadeberg was the President of the Senior High Girls' Club, an Office Girl, a member of the Board of Control, and she also worked on the publicity staff of the All High Play. She was a three-year letter winner of "E" Club and belonged to Torch Honor Society for three years. When a Junior she was selected chairman of the All Conference Dance, Secretary-Treasurer of Torch, and Manager of Girls' "E" Club.

Dorothea Anderson was a four year member of Torch Honor Society and an active member of Tiger Hi and the Mixed Chorus for two years. She worked in the library a year and was a two year letter winner in Girls' "E" Club. She was voted the girl with the most curvacious figure in the class of 1949, and was the Kiwanis candidate for Enumclaw's "Miss America" to represent our city in the State contest.

# SNAPS

We, the staff, wish to take this opportunity to express our sincere appreciation to those who helped the annual staff put out the largest and most complete 1949 TIGER TALES. Words can't express our appreciation to:

Mr. Paul Standar, who produced for us the fine quality of all formal pictures.

Mr. Henry A. Hergert, of the *Courier-Herald* for his splendid cooperation and understanding in setting the type for this book.

Mr. Leslie Shaw of the Farwest Lithograph and Printing Company, for the wonderful help which they gave, and the clear lithographed book the company produced for us.

The Faculty, for their cooperation, advice, and permission for students to be absent from class work in the interest of the book.

To the Administration, for understanding and helping us in the publication of the book.

To the many Advertisers, who, without their generous help this annual would not have been published this year.

The Students also deserve a note of thanks for their splendid cooperation when pictures were being taken, and for their snapshots.

But above all, we the staff, with deepest heart-warming thanks, extend our appreciation to Mr. Rex W. Waldron, Annual Advisor, who has been of inestimable value in completing this book.
